

Amendments To The Claims

The listing of claims will replace all prior versions, and listings, of the claims in the application.

Listing Of Claims:

15. (Previously presented) A composition comprising not less than about 10 mg/ml of a GLP-1 compound and a phenolic or an alcoholic aromatic compound, where said composition is a gel having thixotropic properties.

16. (Previously presented) The composition according to claim 15, wherein said composition contains not more than about 100 mg/ml of a GLP-1 compound.

17. (Previously presented) The composition according to claim 15, wherein the phenolic or alcoholic aromatic compound is selected from the group consisting of a benzyl alcohol, a cresol, a phenol, and a paraben.

18. (Previously presented) The composition according to claim 15, wherein said composition contains a divalent metal ion selected from the group consisting of zinc, calcium, magnesium and cobalt.

19. (Previously presented) The composition according to claim 18, wherein the divalent metal ion is zinc.

20. (Previously presented) The composition according to claim 19, wherein said composition contains 1 zinc ion per molecule of said GLP-1 compound or less.

21. (Previously presented) The composition according to claim 19, wherein said composition contains less than 0.4 zinc ion per molecule of said GLP-1 compound.

22. (Previously presented) The composition according to claim 19, wherein said composition contains between 0.4 and 0.1 zinc ion per molecule of said GLP-1 compound.

Attorney Docket No.: 4343.214-US
Express Mail Label No.: EV 246876995 US

23. (Previously presented) The composition according to claim 19, wherein said composition contains between 0.1 and 0.2 zinc ion per molecule of said GLP-1 compound.
